FOX FUNNIES & CROW CALLS

It was too good a story to be omitted by the local newspapers. A Chicago resident, driving his car home one recent Saturday morning, suddenly remembered he'd left his daughter's piggy bank at the post office while he was mailing letters. Hurrying back, he found the piggy bank still on the counter but noticed that it was much heavier.

Generous citizens, assuming it was displayed for some charitable cause, had dropped change into it.

* * *

Two boys were so disorderly in class that their teacher ordered them to remain in school after hours and write their names 100 times. Ten minutes later, one of them burst out in uncontrollable anger: "It ain't fair! His name's Bob Lee, and my name's Michael Alan Auchincloss!"

* * *

A kangaroo pulled her young one out of her pouch and gave it a hard slap. "This'll teach you," she snapped, "not to eat crackers in bed!"

* * *

Joey's father noticed the puzzled frown on his young, freckled face. "What seems to be the trouble?" he asked.

"Well, if a three-wheeled vehicle is called a tricycle, and a two-wheeler, a bicycle," said Joey, "why isn't a wheelbarrow called an icycle?"

* * *

Mother opened the door wide for little Willie returning from his usual Saturday sojourn to the local movie. "How did you enjoy the picture this afternoon?" she beamed.

"It was terrible," answered little Willie. "I could hardly sit through it the second time!"

* * *

The high school chemistry instructor wrote the formula HNO^3 on the blackboard, then spun about to find a target for his question. He spied him in the rear of the classroom, happily dozing. "Parker!" he crackled. "What is this formula?"

Parker's eyelids fluttered. He stared hazily at the blackboard. "I—I can't think of it right now, sir, but it's on the tip of my tongue," he stammered.

"Well, get it out, young man, get it out! It's nitric acid!"

* * *

The scene occurred in a private school for wealthy boys. "Gentlemen," said the teacher, "I want you to figure out what interest of one percent on a million dollars for three years would come to." All of the pupils immediately set to work except Van Billings, 3rd, whose pencil remained untouched on his desk. "Is there anything wrong?" asked the teacher. "Why aren't you working on the problem?"

"One percent," said Van Billings, 3rd, haughtily, "doesn't interest me."

* * *

"Now, son, I'm going to give you your first lesson in prudence," said the little shaver's father. "Start saving these pennies, and put them in the yellow box. When you have five pennies, give them to me, and I'll give you a nickel, and you can drop it into this red box. Then, when you get five nickels, I'll exchange them for a quarter, and you can put it into this blue box."

Father and son continued this routine for a long time. It wasn't until 15 years later that the boy discovered that the blue box was the gas meter.

* * *

A city youth, made sophisticated by his constant observation of our man-made wonders, was taken on his first trip to Niagara Falls. For a long time, he stood there alongside his parents, staring at the magnificent sight. "Beautiful, just beautiful," sighed his mother. "Isn't it?"

"Oh, sure," the boy responded with a blank face. "But what does it advertise?"

* * *

Mother: Now, Mitchell, you mustn't be selfish. You must let your little brother have the sled half the time.

Mitchell: Oh, but I do! I have it going down the hill, and he has it coming up!

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells —NO EXERCISE AT ALL!

Mike Marvel

Yes! If they LAUGH at you now when you take off your shirt—they'll be amazed —once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL, "Builder of Champion Bodies")

In my classes this same course of Instruction would cost $110.00.

Or is your problem a body sagging with soft rolls of unhealthy, handsome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of FLUBBERC? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fella! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, armored with a sheath of hard tough hand-some muscle. I can build you into a healthy, stream-lined HERCULES—bursting with dynamic manly-strength. I'll give you a taut rock-hard section—legs mus-cled like coil steel springs. I can pack solid DYNAMITE into your fists and give you a rugged hand-some build trim-full of the secret DYNAFLEX BODY APPEAL. And with NO starvation diets — NO fatiguing calisthenics — NO expensive health-foods!

ARE YOU WEAK, ALWAYS TIRED, LACK PEP?

Whether you're thin and scrawny, or sagging with unsightly fat — my secret DYNAFLEX method will cram pep, vigor and red-blooded vitality into your puny, exhausted body. Once DYNAFLEX makes you a two-fisted dynamo of manly beauty, rippling with power, glow-ing with magnetic appeal—you'll be bursting with get-up-and-go. Man, you'll be really ALIVE—tingling with zest and rip-roaring energy—for the first time in years!

PROOF!

"I tried two other systems, before my buddy told me about DYNAFLEX. It really works —and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!" L. C., New York City

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago, and am build-ing a great physique." E. G., Detroit, Mich.

"DYNAFLEX is the best yet. Only three weeks, and I have more dates than I can handle! I am telling all my pals about DYNAFLEX." F. S., Chicago, Ill.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—flat chest—a flabby stomach and skinny legs? Do they laugh and grin when you take off your shirt? I BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPLING DYNAFLEX MUSCLES that will have them gasping with awe and admiration! And with NO tiring exercise, NO high-priced bar-bells or gym equip-ment!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no tiresome exercises, "crash" diets, protein foods, and no weights or bar-bells. DYNAFLEX is the amazing dis-covery of a West German Doctor whose re-search into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNA-FLEX you "flex" each muscle once—in a cer-tain way—that is more effective—than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, hefting heavy weights.

DYNAFLEX coaxes each muscle in your body to bring out its round, steely fullness and satiny symmetery. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsec-tion—and trim, steel-spring legs—simply thru **"DYNAFLEXING"** each muscle once a day! There's nothing wrong with the bar-bell and weight-lifting method . . . but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical RAMSON-STRONG BODY—when you can get better—bigger—faster—easier with the DYNA-FLEX SECRET!

STRONG-MAN BODY THAT'S ADMIRED!

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-sized chest, hand-some he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Be a fellow with TWO-FISTED BIG MUSCLE AP-PEAL . . . they only laugh at skinny guys or "fatso's"!

Let me give you a glowing new body, brim-ming over with energy and irresistible inches of solid muscle on your chest—he-man appeal, I can build three inches of beef and brawn in your shoulders, I will mold you a hand-some super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean taut rock-solid punch-proof midsection. Pack your body with energy and stamina that will help make you popular.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and show off your shirt and, for the first time in your life, you'll be PROUD of your manly build. Yes, pal, say goodby to your weak, flabby frame—get ready for ad-venture and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN MUSCLES at the beach or gym. And, when the fellows stare with envy and jealousy—when friends crowd around to squeeze your iron biceps or touch your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAFLEX!
